

**WEEKLY TRAFFIC RESTRICTIONS**  
**By Date and Location**  
**MONDAY, March 18, 2013**

**SPECIAL NOTE on LONG TERM TRAFFIC RESTRICTIONS BEGINNING  
MONDAY, MARCH 25 (repeated):**

**I894/UW45 Northbound:** The westbound Greenfield Ave entrance ramp to I-894/US45 NB will be closed through late summer for intersection reconstruction.

**Watertown Plank Rd:** A traffic pattern switch to the right lanes has occurred on Watertown Plank Road from Innovation Dr. to UPRR. Two lanes of traffic will remain open. Traffic pattern will remain in effect until early April.

**Hwy 100:** The traffic pattern on Hwy 100 has switched to the right to allow for left lane and median closures from I94 to Watertown Plank Road. Two lanes of traffic will remain open. Traffic pattern will remain in effect until early April.

**Monday (3/25)**

Zoo Interchange

- There will be a left lane closure during the day on Bluemound Rd at WIS 100 to switch traffic.
- The left shoulder will be closed during the day on I-94 EB just west of the W-N system ramp for soil boring work.
- The left turn lane will be closed overnight from NB WIS 100 at the median south of Watertown Plank Rd for utility work.
- The left lane will be closed overnight on I-894/US 45 SB at Greenfield Ave for sign bridge installation.
- There will be a full freeway closure overnight I-894/US 45 NB at Greenfield Ave for sign bridge installation.
- A single lane will be closed overnight on EB/WB Watertown Plank Rd east of Innovation Dr for utility work.
